LIHEAP funding available for 2008

Week in
Review

The Low-Income Home Energy Assistance Program (LIHEAP) will begin making appointments for the 2008 program on September 4. Only those households with someone 60 years of age and older or disabled individual are eligible to receive an appointment at this time.

Eligibility is determined by providing 30-day proof of income and having a utility bill in the head of household's name. If utilities are included in rent, one may still be eligible for assistance. There have been several changes in the 2008 program year and a participants' patience would be appreciated.
